ENCORE!

The USA Western Territory's ENCORE! Music and Arts Celebration hopes to:

1. Develop musicians and creative artists.
2. Provide a goal that will help motivate soloists and groups to strive for excellence.
3. Provide opportunity for participation at the corps level on a regular basis.
4. Help soloists, groups, and leaders to focus on doing their best to glorify God.

Corps officers and group leaders should help by finding opportunities to participate regularly at the corps and in the community. The ENCORE! program is not meant to relate to one or two special weekends but is meant to help in the development of music and arts for worship at the corps on a regular basis.

Leaders should keep the program in perspective. Friendly competition is everywhere and expected. Win or lose – participation is the key. Work hard, enjoy being together and share those gifts to glorify God in a positive and encouraging manner.

Each person has something that they can develop and give as an offering to the Lord. Let's encourage participation in every opportunity that provides a way to find and develop the talents the Lord has given.

Let's help our young people learn how to be gracious and supportive of each other, learning at an early age the proper response to the use of their own gifts and the gifts of others as taught by the Apostle Paul in Philippians 2:3 & 4:

"Don't do anything from selfish ambition or from a cheap desire to boast; but be humble toward each other, never thinking you are better than others. And look out for each other's interests, not just for your own." (Today's English Version)

Participation in ENCORE! also provides opportunities for other life lessons. ENCORE! can help in the development of self-assurance and confidence. It can help our young people to understand the importance of proper preparation and of presenting themselves in a positive way. Those in groups can learn the importance of a collaborative creative process – that each part of a group can contribute to the overall presentation of the whole group.

Who Should Participate in Encore?

We hope that the ENCORE program will help corps growth. Prospective Junior & Senior Soldiers are both allowed and encouraged to participate. However, young people are not to be brought in just for this event. They should be attending the corps on a regular basis with the aim of becoming a Junior and Senior Soldier.

Special Competition Rules:

If a soloist or group receives first place for two consecutive years in the same level, they must take a year off from participating or compete in a higher level. However, if they were the sole competitor in their category in one of those 2 years, they may still compete in their category.

Uniform Requirements

Junior Soldiers

Standard Junior Soldier uniform is required for all Junior Soldier participants:

- White shirt/blouse with official "S" on the collar (if junior soldier)
- Navy blue skirt/pants
- Navy blue socks (Pantyhose are permitted for older girls)
- Black shoes
- Blue/black ties for boys, optional pins for girls

Senior Soldiers

- Senior soldiers may wear senior soldier uniform in tunic or fatigues.

Timbrels

- Timbrelists will be in Junior or Senior soldier uniform.

Dance

- Uniform isn't required.
- Adjudicators will be looking for clothing to be neat, modest, and not distracting.
- Any make-up should be appropriate to the performance piece and should be well applied.

Drama / Monologues

- Uniform isn't required.
- Soloists and groups should wear outfits or costumes that are appropriate for the chosen monologue or scene.
- The adjudicators will be looking for good judgment in this area.
- If applicable, participants are expected to provide their own scene props. Larger props can be requested in advance – nothing will be provided ad hoc on the day!

Encore Vocal Soloist

This year you are permitted to select your solo choices from a variety of publications. A list of 25 graded songs has been prepared below to help with your choices and to show the range of difficulty and musicality expected. You can also select any songs from the [STAR SEARCH VOCAL SOLOS collection \(USA Eastern Territory\)](#), and any suitable song published by The Salvation Army.

Select two contrasting songs. The contrast should include differences in mood and tempo. Do not choose two fast songs or two slow songs.

Both songs must be memorized, and a total time limit of 8 minutes is allowed.

If you choose songs that are not on the list or in the forementioned publications, you will need to have the music pre-approved. You can do this by emailing a copy of the sheet music to musicwest@usw.salvationarmy.org.

You should consider the following:

- Is it appropriate for Encore?
- Does it represent the appropriate level of difficulty for my level?
- Does it present a Christian message?
- Does the song demonstrate the full vocal range of my voice?

Accompaniment:

At divisional Encore! live accompaniment is preferred but a track may be permitted (check with your divisional Encore! leadership). All songs at territorial Encore! are to have live accompaniment, if you are unable to arrange your own accompanist one will be provided for you. Soloists may not accompany themselves.

Encore Youth Vocal Ensemble

Uniform:

Junior Soldier or Senior Soldier Uniform

Music:

Select two contrasting songs of your choice. The contrast should include differences in mood and tempo. Do not choose two fast songs or two slow songs.

Both songs must be memorized, and a total time limit of 8 minutes is allowed.

The following vocal publications are approved for use, other songs will have to be approved (please email music to musicwest@usw.salvationarmy.org).

Psalms, Hymns, & Spiritual Songs (USA East) 4 Part

Sing Praise! (USA South) 3 Part

Sing to The Lord (U.K.) Mostly 4 parts (some extend beyond that)

Accompaniment:

Territorial Level - All accompaniments for Youth Vocal Ensembles will be live – no pre-recorded tracks. There will be a designated accompanist on-site.

Divisional Level - Divisional Music Directors can use their own discretion for Youth Vocal Ensembles at the Divisional Encore Competition. While live accompaniment is always preferred, an accompanist may not be available therefore using the accompaniment track at the corps or divisional level is encouraged. Participation at the corps level is the goal.

Encore Bands

Each Band will perform 2 pieces: The Required Test Piece and a Choice piece from the Territorial Choice List.

Uniform:

Junior Soldier or Senior Soldier Uniform

BEGINNING BAND

Beginning band would describe a group that either has novice players or hasn't been in existence long. Level 1 AIES music would be a good indicator of this level as the young people learn to play big notes, listen to each other and figure out how to play in tune. Bands in this category should first have the approval of the DMD and not be looking to play a level 4 piece as their own choice. Developing young players is the name of the game for this category.

JUNIOR BAND

Junior bands would be those who have been established for a while and have players who are more advanced. Level 2 music in AIES should be the lowest that a junior band would play. They should be building on the skills learned as a beginning band member and be able to play in keys other than C and F as well as navigate more complicated rhythmic and harmonic styles. Again, the DMD should be able to advise group leaders as to the correct level and be willing to help them make the correct choice.

None of these should be about winning but developing skills to aid their respective corps in worship on Sunday mornings.

Beginning & Jr. Band Instrumentation

Eb Soprano Cornet, Bb Cornet, Bb Flugel Horn, Eb Alto (Tenor Horn), Bb Baritone, Bb Tenor Trombone, Eb Bass Trombone, Bb Euphonium, Eb Bass Tuba, Bb Bass Tuba, Snare & Bass Drums, Timpani and complete battery of percussion as required. Groups may be smaller ensembles using the instruments above.

Cultural Category

The Western Territory encompasses such diverse, rich, and beautiful lands, peoples, and cultures. Encore is meant to allow people from all over the territory to express their faith and worship through means that are specific to geographical locations or people groups.

While these expressions may have been limited in previous Encore's, we have now created a special category so that everyone may participate in Encore. From culture and region specific dances, songs, or other expressions, our hope is to encourage the participation of all peoples throughout our territory, either as a solo performer or with a group.

Together, through shared expressions of various cultures, we gain a deeper understanding of each other as well as a richer experience in worshipping God.

Each Individual or group will perform 1 piece. (no longer than 7 minutes in length)

If available, please provide a printed copy of the music to your Divisional Music Director.

Age: 7-18 by June 1, 2023 - minimum 1 member + Up to 2 helpers (over 18) optional in addition to the 1 member.

Message and Expression

Musicality + energy. Performance works with the style of music and enhances the lyrics (if it has lyrics). The meaning of the song is made clear through the storytelling of the performers and their facial expressions. Performers are focused.

Technique/ Choreography + Formations

The performance is interesting and unique with dynamics that reflects the music. (Levels, Unison, Solos, Cannon, Qualities/Dynamics of Movement).

Variety of formations/spacings (Levels, direction, pathway, focus) are used to provide dynamic visual interpretation of the song.

Good body alignment and clarity in movement that reflects the appropriate Qualities/Dynamics of Movement (swing, percussive, collapse, sudden/sustained, acceleration/deceleration, strong/light, flowing/abrupt.)

If using props, they are used properly and integrated well into the performance.

If the performance is more stationary/ music based rather than dance based, the music is played or sung or played in tune with proficiency, pleasant to hear and performed with appropriate dynamics and musicality?

Preparedness + Execution

The piece is clearly well rehearsed + executed with confidence and energy that fits the style of performance. A clean performance.

Presentation

Costumes, hair and make-up are appropriate and enhance the presentation. Music choice, length is good and engaging. Music edits are not distracting.
