## ***Program Note***

This is a straightforward presentation of a children's chorus with an equally direct statement of faith: I believe God answers prayer, He's answered mine before.

## ***Note to the Conductor***

This setting easily meets AIES Grade I limitations, yet there are many opportunities to "make music" with this simple tune. Strive for a gentle, flowing style while giving attention to dynamic contrasts throughout. Measures 29-36 call for independent entries from top to bottom before slowing to a quiet conclusion..
